### **Examiner's Amendment**

1. An examiner's amendment to the record appears below. Should the changes and /or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.3.12. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
2. The following claim has been amended upon agreement by applicant during a telephone conversation with Mr William G. Gray on December 20, 2004.

Claims 1-4 are cancelled.

### **Reasons for Allowance**

3. Claims 24-91 are allowed.

The following is an examiner's statement of reason for allowance:

None of the references of record teaches or suggests the claimed a timing control method and a gas discharge laser timing control system for a two chambered gas discharge laser system operating at discharge repetition rates of in excess of 3000 Hz and having a first chamber providing a seed laser beam to a second amplifying chamber, with each of the first chamber and second chamber receiving a pulse of electrical energy across a respective pair of discharge electrodes, after a respective initial charging capacitor in a respective electrical pulse energy source is charge from a charge circuit, and after the triggering of a first solid state switch connected to the

respective electrical pulse energy source for the first chamber and after the triggering of a second solid state switch connected to the respective electrical pulse energy source for the second chamber, comprising, along with all the other claimed feature, a fire control command module providing to the timing energy module **a first time delay signal, the second time delay signal, a correlating mechanism in the timing energy module.**

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
